ON THE COVER: Kit and Alicia Teeter instructed Allison Rodgers to capture the true nature of their 5-year-old twins Cassie and Kinsey and their 3-year-old sister, Kyleigh. Our cover image, captured with the Canon EOS 5D and a 24-70mm 2.8L lens, was one of nine images that Allison and Jeff Rodgers designed to go in the Teeter's home as a grouping. Rodgers recalls, "So many expressions, so many moods. This image captures just one second in the life of the Teeter girls." Read more about Allison Rodgers Photography in our feature on page 86.
