Nate Embrey says, "We like senior photography the most and we do it the best." So he and his wife, **Brittany**, set out to create an irresistible experience for teens at +theshotshot. Even though they do other types of photography, they market only to high school seniors, and they do it extremely well.

ON THE COVER: Senior Lena Sanfilippo's session was memorable, says Dan Davis, this month's cover photographer. "She had so much personality and nervous energy she couldn't keep from giggling. Ten minutes into the session we all were giggling," he says. Using a Canon EOS 5D with 28-70mm f/2.8 lens, he exposed the frame for 1/60 second at f/14, 200 ISO. Davis used one Calumet Travelite with a 40x53-inch Calumet Soft Box.
